PROFILE

My name is Ilya Aleksin. I was born on June 23, 1997. I live in Volgograd, Russia.

I finished school with honors. Also I entered college and received an IT specialist diploma. I am currently studying at the GeekBrains IT-University at the Faculty of FullStack JavaScript Development. I finished half of the course (Front-End Development).

My goals is to become a professional React Front-End Developer and be fluent in English. I want to find a job as a Junior React Developer.
